Ongoing situation...HOPE has met with him, Pastor has met with him. Officers...security. They tell me he moves the car at night, but I find that hard to believe...I need to confirm that.

Subject: Living in Car Behind CVS

Attached is a photo of a car that a man is apparently living in behind CVS / Ralphs. He told me "not to worry, that security and property management knew and approved of him." That didn't help. I'm worried. Please arrange for services from Pastor Weller or ask him to move along. Please make sure all private security are in sync. Don't call LAPD without further discussion with me. Let's solve this problem on our own. Let me know your thoughts. Thank you.
